HIGH FLIGHT

Oh! I have slipped the surly bonds of Earth
and danced the skies on laughter- silvered wings;
sunward I've climbed, and joined the tumbling mirth
of sun-split clouds- and done a hundred things
you have not dreamed of- wheeled and soared and swung
high in the sunlit silence. Hov'ring there
I've chased the shouting wind along, and flung
my eager craft through footless halls of air.
Up, up the long delirious, burning blue,
I've topped the windswept heights with easy grace
where never lark, or even eagle flew-
and while with silent lifting mind I've trod
the high untrespassed sanctity of space,
put out my hand touched the Face of God.

"High Flight" was written by an American Pilot Officer Gillespie Magee, Jan of No. 421 Squadron, Royal Canadian Air Force, who was killed on Dec. 11, 1941 in a British Spitfire.

(2) The 1986-1987 Drill Team "fires up" the homecoming crowd.

The Saint Mary's experience flys by at an accelerated rate with each succeeding year.

Slowly, it seems, in that sometime painful first year, the fledgling experiences the slowness of time and action—Earthbound going "somewhere."

A more elevated sense of self-esteem and purpose grows by the familiarity of faces and places during year number two.

A higher realm of unity marks the third year with its "mercurical feelings."

Hopefully, the ascendence toward a fuller sense of maturity and responsibility has been achieved by the final year. You are now "soloing!"

But first comes the start . . . the beginning . . . The initial thrust of . . . Taking Off!

(3) Dave Torres, Bob Smith, Sandra Ambida and Chris Howard prepare "check-in" with Sister Benet for their "Flight" through their Senior year.

BLASTING OFF WITH . . .

STUDENT LIFE

One of the first rules taught by parents and significant others was that sharing comprised an important part of life. This was an important value when applied to success at socialization.

These early molding mentors were right! It was more enjoyable to share with others . . . the fun, the work, the wins, the losses.

Saint Mary's has endeavored in many ways to provide varied means whereby the students could join together and 'share'. The student council, under the direction of Mr. Ghergardi, class moderators, and club and advisors had all taken as their goal the quest for activities that were varied, inviting students to 'join in'. Activities that opened a door to social awareness, calling for committed involvement.

Activities calling for unique approaches and experiences, yet keeping in deference to those traditions of an earlier time.

With regards to student life at Saint Mary's during 1986 and 1987 and to quote a metaphor of a not too distant past: "IT WAS A BLAST!"

Flying Away the First Week

Who said the "spirit of summer disappears with the end of August?" No one told the students of SM. With the registration of the Senior and the Freshmen classes on Monday and the Junior and Sophomore classes on Tuesday, smiles, hugs and "hellos" echoed in the halls of their Alma Mater. "There were new teachers, new students and a new spirit for the green and white," shouted senior Chris Howard.

Finishing off Registration Week, the freshmen were treated to a renewed tradition, the Senior-Frosh Breakfast. Freshmen were accompanied by their "big sister" or "big brother" at this breakfast, engineered by senior moderators, Mrs Isoardi, Mr. Harper, and Mrs. Devincenzi, and various faculty cooks. As senior Lisa Hunnesagan exclaimed with orange juice in hand, "Here's to the best year ever!"

"Walking On Air"

Posters, balloons and a sparkling band created the scene of the Homecoming Rally. Except for a few students adding last minute decorations the gym was virtually empty. However, within a few minutes it was every man for himself as the sardine packed gym howled with the cries of the students, alumni and parents at the Night Rally. Soaring from the end of the gym floated the gallant tunes of respect from the regal band. As suspense mounted so did the jitters of excited students awaiting the arrival of the spectacular court. "I can't wait till they come in, they're going to be the stars of this night," came the joyous emotion from Freshmen Corey Chatfield witnessing her first night rally. Suddenly the music whispered and the spotlight dipped from Rally Commissioner Scott Solari and bowed to the entrance of the gym. With smiles illuminating the gym, Princesses, Rachelle Sanchez, Lori Agari, Lisa Hunneshagen, Krista Baciocco and Veronica Marquez and their handsome escorts Princes: Pete Sanchez, Tim Kern, Mike Read, Ted Buscaglia and Brian Bowyer elegantly processed to the stage. "Hail to the King, Hail to the Queen . . . . . " roared the traditional salute to last year's King Bill Munoz and Queen Renee Green. With the audience already at the edge of their seats, the moment was delayed even more with a surprising but classy serenade by Rally Commissioner Rodrick Semaan as he and his Company; Kelly Moore, Christina Gotelli, Shannon Meder, Lorraine Laurente, Corey Chatfield, Kellie Griffin tipped their hats to the court with their version of "Earth Angel". Finally, the moment arrived. Father Fallon addressed the assembled crowd and with congratulations to the court announced with special regards to the 1986 Homecoming King, Brian Bowyer and Homecoming Queen, Rachelle Sanchez!

ST. Mary's Homecoming 1986
SM on vacation—SM comes home

Homecoming was one of the biggest events of the school year. For new students it was a time to become immersed in their school's traditions. For past graduates, it was a lifetime to remember, a time to see old friends, and a time to once again root for their alma mater.

Homecoming started MONDAY October 13 with an after school poster and decoration "lock-in". All homecoming decorations were made as a team effort among the classes. TUESDAY, students brought suitcases and carry-ons in preparation for an adventurous departure.

Lunch time the students voted for King and Queen. WEDNESDAY, was international dress-up day. Each student dressed up in costumes representing their favorite country. Points for class participation was given. There was a one hour on campus lunch which included a wide range of food booths.

SM went to Hawaii on THURSDAY. This was a tropical dress-up day, also for points. The freshman football and girls' tennis teams played Tokay. The coronation of King and Queen was held at the night rally. Congratulations to the entire court. SM prepared to come home to "ram country." On FRIDAY, SM came home. Students dressed in green and white and let their spirit shine. There was a rally because the soccer, tennis and waterpolo teams all had games. After the rally there was the decoration of the football field. The big highlight was the Rams vs. the Flame. At half time green and white balloons were released into the air. The homecoming court was honored as they toured the football field.

Presentation of "The Torchbearers", a satirical comedy by George Kelley, launched the drama department's Fall production. This "play within a play" featured the bizarre antics of a small town group of amateur actors and their attempt to stage, for charity, a play "The Torchbearers" during the 1920's.

The staging of the play was in three acts and the reaction of the audience deemed it a successful "hit". Largely responsible for this were the accomplished and talented cast, and the fine directing of Miss Dominie Muller. The play was Miss Muller's directing debut for Saint Mary's and was accomplished in only four weeks of rehearsal time.

Also, completing the causes for the success of the play was Technical Supervisor, Bro. Neil McMenamin and the members of the Stage Design class and crew. They were responsible for the assembly of scenes and props which added the proper atmosphere.

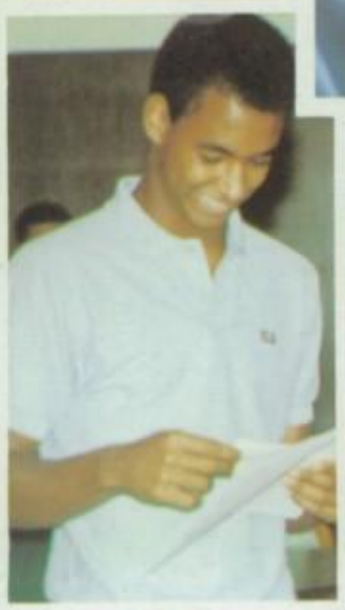
Miss Muller was asked to comment on her first SM production, "'The Torchbearers' was a successful production and was a wonderful opportunity for me to evaluate SM talent this year. Based on the overwhelming enthusiasm of our students, I'm sure that our Spring Musical will be a fantastic adventure".

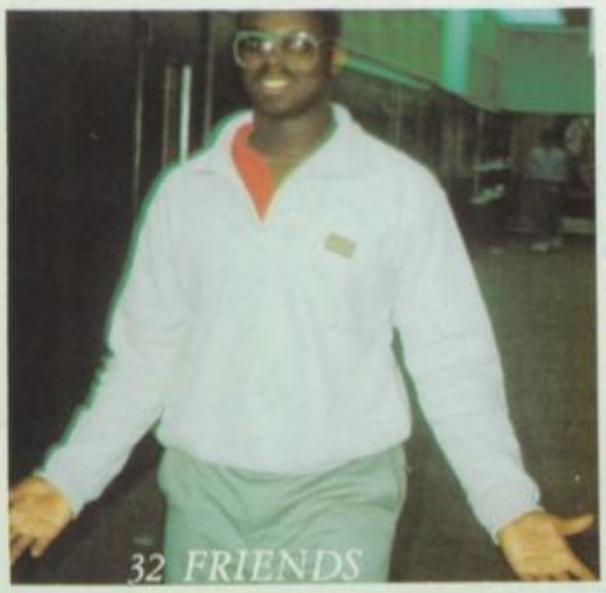
1. Cast and crew, including Technical Supervisor, Brother Neil McMenamin and Director, Miss Dominie Muller. 2. Mrs. Ritter (Susan Bumps) reflects upon her fantasy as a Broadway star, while Mr. Ritter (Chris Nava), hotly opposed, contradicts Mrs. Panpinelli's (Melinda MacKay) assessment of Mrs. Ritter's acting ability. 3. Mr. Ritter (Chris Nava) faints at a surprising time, as the other members of the cast look on in distress. 4. The Ritter's maid Jenny (Angie Daveluy) and Mr. Ritter (Chris Nava) are mutally surprised because of Jenny's "noiselessly" and "nosey" habits. 5. Consoling Mrs. Shepard (Carrie Augello) at hearing the loss of her husband, Mrs. Panpinelli (Melinda MacKay) director of the amateur actors is joined by sypathetic stage managers: Mrs. Mulch (Gianna di Franco) and Miss Fishbaum (Tanya Venkus). 6. "As Abraham Lincoln said at Gettysburg . . . ," employing her habit for quotations, Mrs. Panpinelli (Melinda MacKay) is imitated by antagonist, Mr. Ritter (Chris Nava).

FRIENDS

If you ever need a friend,
I have a lot of love to share
I will be here until the end,
To show you how much I care . . .

For I will show you a side
Of love that you have never
Seen before. So, if you are
Ever feeling blue, just remember
I LOVE YOU!





Mrs. Ching proudly looks on as her Art Club members create.

Working hard, Diane Herbert refuses to quit.

The Art Club waits for the meeting to begin.

ART CLUB

No matter where a student's talents lie at St. Marys, they will always find a club or organization that fits their interests. The Art Club is an example of this diversity.

The Art Club has been active for over fifteen years. During this time the projects have included painting, etched glass, school activity signs and posters. The decorated trash cans the students created were donated to a childrens' home here in Stockton. There was never a limit on the creativity of the students who worked in the club. With the continued help of Mrs. Ching and creative students, Art Club hopefully will go on for sometime.

The Question Of An Education

I used to ask why did I need an education
The question seemed silly but was not
Many people need to know and I want to share the facts
So they won't have to ask another question like that

An education helps a person to grow
Learning about himself and the world
It sparks the creativity in the mind
That's how we've advanced in so little time

To co-exist with people
An education helps you out
Also when it comes to jobs
You wouldn't want to be without

I pray you heed my words
When it comes to an education
Because you want to be the best that you can be
And contribute something to society

Verbal Visions

Creativity found an outlet this year in Inscape, St. Mary's literary magazine. Packed with different perspectives Inscape included a variety of poems, short stories, and drawings. Through these works, students offered significant glimpses into their minds for other students reading. Comtemplating the students' contributions offered new and different views to be presented. Much hard work was necessary for Inscape to function. Under the direction of Sister Mary Francis, the staff worked hard not only contributing, but editing and typing as well. Although many people worked hard to make Inscape possible, the staff members were Susan Bumps, Leslee Burnett, Lyndon Funtila, Kurt Heli, Julie Nola, Lisa Solberg, Pete Simonelli, and David Yang.

Sister Mary Francis Gibson, advisor of the literary magazine, INSCAPE, confers with some of the talented contributors, Kurt Heli, Peter Simonelli and David Yang.

The "Steaming" Side of the Kettle

The Kettle was the information center of St. Mary's High School. Under the advisory of Mr. Sheet, the staff informed St. Mary's students about community activities, dramatics, sports, and even student involvement in Stockton. The Kettle expanded last year from 4 pages to 8 pages, and received favorable comments throughout the campus. The Kettle consisted of well written articles that informed people, as well as adding a lighter side to the paper, through comics. This year's editor was Greg Goehring, assistant editor; Kevin Simpson, and feature editor; Kathleen Weber.

FINISHED AT LAST

Layouts, copy, and deadlines, of this the 1986-1987 yearbook was made. A lot of hardwork, late nights and dedication went into this long-awaited yearly tome.

Even though it took a lot of responsibility and time the yearbook class was a unique class. This was because of the relaxed atmosphere and openness between the students. As a result of the small classroom and limited amount of space to work with, there was a lot of activity, but everyone got along well together.

FROM THE BIG CHAIR

Tim Kern's presidential address 1986-87

"Being Student Body President has been a difficult, but learning experience. I hadn't ever considered running for office until a few of my teachers urged me to. I think it would have helped me greatly to have had prior experience. I had been to only one student council meeting before I had to conduct a meeting of my own. I now know how frustrating it can be to keep forty different people quiet for a meeting. I'm still unsure of what to do at meetings and rely heavily on Mr. Luigi for help and guidance. I am learning though.

Despite my inexperience, we have had a very successful year. Homecoming brought huge student participation through record turnouts on dress-up days. I credit all of the success to the student council members who come up with all the great ideas and help at all the functions. The Christmas dance was also very successful, but again I must credit all the success to the student council members who organized the dance and then helped set it all up, as well as taking it all down.

I think the retreat really enabled us to get to know each other and establish our unity. I really enjoyed being Student Body President during 1986-87 and thank all who have helped me."

"Fat Tuesday"

Taking time out for some fun in the sun was the purpose of the 1987 Spirit Day lunch. Originally scheduled earlier, rain caused the day to be postponed. This however did not mean any dampening of Spirit.

On Tuesday March 3, 1987, the student body gathered together on Senior lawn to celebrate not only their spirit but Mardi Gras as well. Filling themselves up on Tacos, burritos, ice cream, cokes and baked goods, the student body munched heartily. The 50 minute lunch was teaming with not only food but music as well. And what were S.M. students wearing? What else but free dress!

Over all, the day was quite a success. Relaxing with friends added to the day's enjoyment. As for the free dress day, it went down in history as one of the favorite school events according to the Seniors. Thank you to the student council for making the day so great!

KEYWANETTES

Opening doors to the needy

Keywanettes, a non-profit organization, has carried a tradition of community service throughout Stockton. This year Teri Munoz was the president and worked with advisor Mrs. Baumgardner to lead the club in activities such as working at the Asparagus Festival, helping Key Club with the blood drive, and donating food for the needy. Like the Key Club, the Keywanettes are also an extension of the Kiwais Club of Stockton.

With Tammy Crane as vice-president, Terri Thompson as secretary, Renaye Vignolo as treasure, and Nina Shotz and Lisa Murphy as representatives to the Student Council, the Keywanettes had a very successful year.

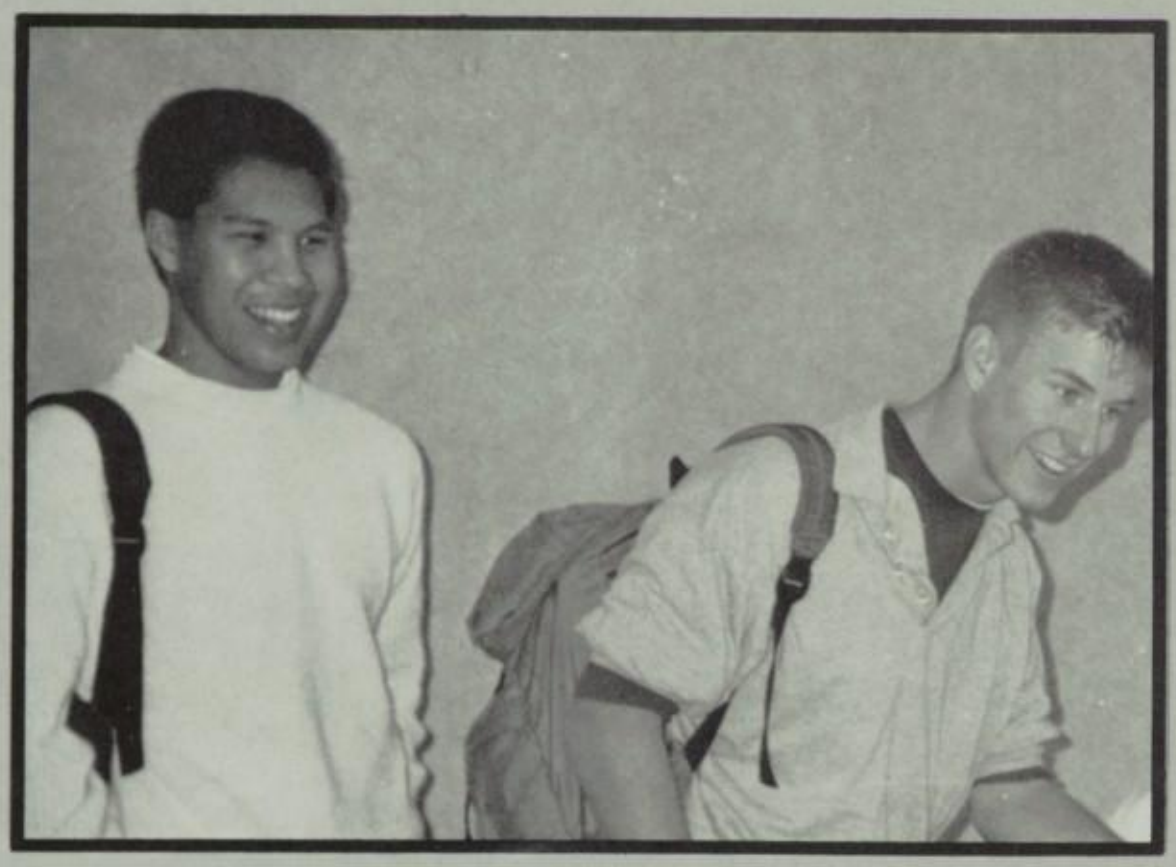
KEY-UP WITH THE KEY CLUB



Altruistic Giving

The Key Club, an extension of the Kiwani's Club of Stockton, lent new meaning to generosity this year. Beginning with a blood drive which it sponsored, the Key Club started off on a note of sacrifice. As they encouraged others to give the "life fluid" and gave themselves, they showed the student body the spirit of community.

The Key Club also aided the community by giving a generous scholarship. Led by president Brian Boyer, vice-president Edward Stevens, secretary Dan Hom, and treasure Marty Delucci, the Key Club was certainly an inspiration to Saint Mary's.

Multicultural Club

Diversity was the essence of unity within the multicultural Club, moderated by Mr. Arthur Valdez. The Multicultural Club had as its purpose the educating of students in the Multicultural traditions of different ethnic groups. The 1987 Multicultural Club participated in such activities as Homecoming and Cinco De Mayo. It has also sponsored both a school dance and sponsored members to attend a Recollection Retreat. Through this retreat, Catholic members of the Multicultural Club had a chance to grow together and with God. Asked about her experiences, Jeri Gardner said, "I feel the Multicultural Club enhanced my relations and understanding of the students from different cultures than mine." Officers leading the club were president; Christiane Rocelli, Vice President; Loraine Laurente, and Secretary Treasure; Alice Cooper.

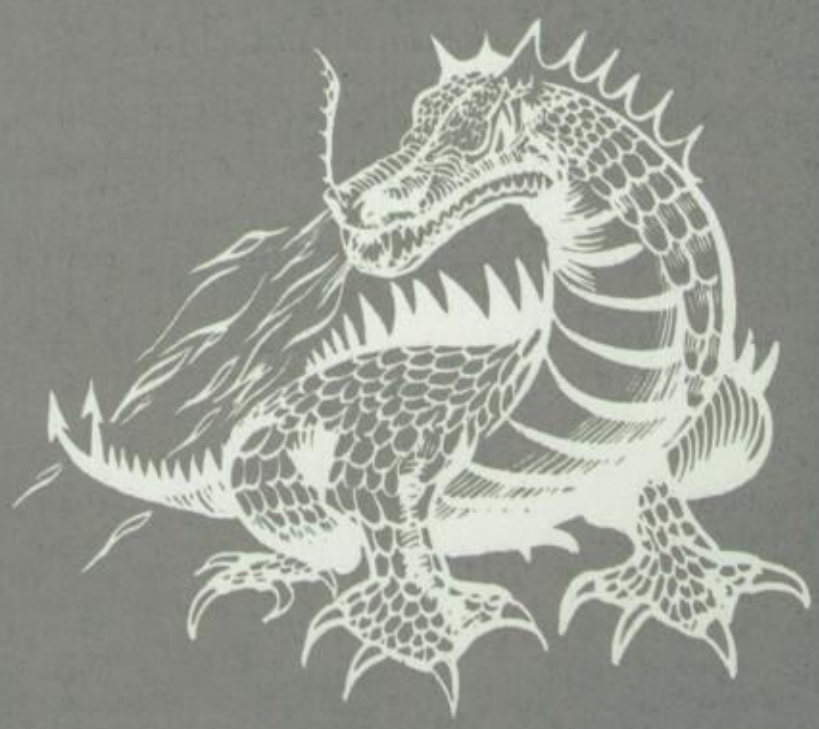
Prepare to Play

Games Club members: Lavell Laurente, James Calderon, Jennifer Petterson, Tracie Cipperly, Mike Gutterrez, Justin Garey, Dan Walford, Wess Safford, Phu Vu, Mrs. Baumgardner, and Joe Bulum.

The Games Club prepared for yet another year of adventure and intrigue, continuing a long tradition of gaming and camaraderie. Honoring their skills through practice and competition, the rivalry, although intense, never became unfriendly. The annual trip to Dun Dro Con allows members to test their strategy and skill against others from all over Northern California. Advised by Mrs. Ferne Baumgardner, lead by President Wess Safford and Vice-President Michael Gutterres, and lured by the scent of victory, the Games Club was ready for any challenge.



C.R.O.P.

The duty of the CROP Club was to raise money for the Stockton Community's needy. The club's efforts have been greatly appreciated by many people using the out-reach program at the St. Mary's Dining Hall. To start the year off right, Mr. Krengel, the club moderator and CROP members earned a substantial amount of money ($300.00) on the Soup and Bread Sale. The class collection adding up to $1500.00 have also helped feed many families on Thanksgiving and Christmas. During the cold months, CROP had been collecting good used clothes and spent hours sorting and wrapping the clothes that were distributed to the needy on Christmas morning. Next, the dedicated group raised $150.00 on a Salad and homemade bread sale. All of the fund-raisers have proven to be a complete success, not only for the sense of accomplishment of the members, but from the greatful recipients of these missions.

The varsity and junior varsity squads demonstrated their tremendous skill while leading numerous cheers and building intricate pyramids. The freshman cheerleading squad was the first SM has had. They were truely spirited and loyal in addition to being skilled performers. Varsity captains were: Shelly Sarale and Sherry Orlando. J.V. captain was Erin Reisenbeck. The freshman captain was Kristen Greene. The Advisor of all the squads was Mary Hill.

DRILL TEAM 1986-1987 HAS SUPERIOR QUALITY

1986-1987 was a great year for the St. Mary's High school drill team. Captain Sandra Ambida and co-captains Shannon Meder and Kelly Moore led the 24 member team to the superior trophy, spirit stick and superior banners at the USA Drill Team Camp in Santa Cruz. The routines done during the halftimes of the football and basketball games added color and excitement to the spirit of the school. Advisor, Mary Hill, felt that team unity and enthusiasm played an important part in this year's success.

SM BAND IN TUNE ONCE AGAIN

The Advanced Band Class of 1986-87 have undergone numerous changes during the year including having to change band instructors.

The new band instructor leading the class was Mr. Kimball. He was responsible for teaching beginning and Intermediate music in other elementary schools. These schools were St. Lukes, St. George's, St. Gurtrudes, and Presentation. These schools served as feeder programs into St. Mary's High School.

He has also taught general music skills: how to sing in tune, and how to sight-read music without the help of sound. Type of music based on the Kodaly technique in the hungarian school system.

Shooting for the Top

Competition was the key to sports activity from the early Greeks until now. The pitting of skills of individual combat, and as members of the team, have been the goal of every athlete. To be the best that an individual has within them, that "push" to succeed, has driven athletes to expand that potential to far reaching accomplishments.

Participants of the games of yesteryear, "pass the baton" to the players of modern athletics. Tactics change, rules undergo refinement, bodies are healthier and more able to perform, but the combined sense of mind and body working together to achieve, remains intact. How fierecely that struggle can be, how depleting a defeat is felt, and much more, how overwhelmingly euphoric a victory is savored.

The shouting and cheering, the determination and strength-they all encourage athletes to shoot for the top!

The art of . . . an unforgettable year.

In spite of tremendous adversity, the 1986 Golden Ram Varsity Football Team had a successful season. In a year in which the Rams went 2-8, many accomplishments went unnoticed. League victories over Stagg and Franklin were not the only highlights of the year. According to third-year head coach Tony Franks, "Our team showed a lot of character and focus throughout the season".

The year began with two close defeats to Central Catholic and Manteca, teams that won their respective conference titles. The Rams also faced eventual Section Champ Vintage High in a non-league game. "We probably had one of the toughest non-league schedules of any team in our area" commented coach Franks. The Rams battled for two victories in the tough S.J.A.A. ending the year with a close 32-29 loss to cross-town rival Lincoln.

The year was marred by a small roster and numerous injuries. "It was great to see that our players never gave up and always worked hard to improve" said Coach Franks. "We do not measure our success by the win-loss record alone, but rather by our attitude and approach to the game. Considering all the adversity this team was faced with, and the schedule we had, I would have to say that we were successful and achieved a great deal. It was obvious by the way we played in the Lincoln game that we had worked hard and improved during the season".

The 1986 Freshman Football Team went through a year of learning. The record for the Little Rams was (2-6-1). The Rams endured several injuries, and difficulties on and off the field. Like most freshman football teams at St. Mary's the biggest problem was a lack of experience. Unlike most of their opponents, most Freshmen have never played football before coming to St. Mary's. Despite the problems, there were several highlights to the Rams season, a homecoming week victory over Tokay, a thrashing of Galt, and the biggest highlight of all—denying Tracy the league title with a thrilling scoreless tie. Standout performers for the Rams included QB Aaron Misasi, LB/RB Jason Newell, LB Kevin Hanson, Linemen Peter Sadek and Ted Hummell, WR Joe Villanueva, and TE Glen Griffin. There were several other little Rams who showed excellent promise and provided hope for the future of Ram Football.

The St. Mary's volleyball team started out the season by taking the Bret Hart tourney and participating in the Davis Invitational tourney. Then the season cam and the team became inconsistant. Their final league record was 7-7 and 8-9 overall "This year we had our up's and down's, but they were a fun group to work with. W had a lot of individual talent and w worked a lot on the team concept." stated head coach Trez Stack. The two assistant coaches were Pat Brown and J.V. coach Joy Dana.

Missy Mayer, a co-captain, was named to the first team all-league. Rachelle Sanchez, also a co-captain, was named to the second team all-league. At the awards banquet, MVP went to Missy Mayer, Most Improved went to Dorene Neri, and Most Inspirational went to Rachelle Sanchez.

Top Middle: Gina Brassesco, Coach Therese Stack, Manager Allison Scriven, Manager Tiffany Lachtman.

The J.V. Volleyball team showed their intensity by continuing their tradition of a first place team. When asked Katie Gough of what she thought about the season she said, "We really played together, and that's why we were on the top." The J.V. traveled to Bret Harte for tournament, and swept all the teams. This is the first time a SMJ.V. team traveled to a tournament, and having three players named to the all-tourney team (Lisa Thomas, Danielle Peirano, Erin Reisenbeck). By winning first place in the tourney, they will probably travel there again next year. Our overall record was 18-1, losing only to Lodi High. Coached by Joy Dana and assisted by Pat Brown, these girls have a great year to look back on. Coach Dana said "We kept our intensity up until the game with Lodi, and there we just did not play as a team. They were a fun group of girls to work with, and I wish the sophomores luck on the varsity team next year." At the banquet, MVP went to Danielle Peirano, Most Improved went to Katie Gough. GREAT SEASON, LADIES!!!

KICKING IN

The 1986-87 Varsity Soccer Team had the most successful season in St. Mary's history. The Rams reached the playoffs for the first time ever as they tied Tracy for the League Championship. The team was led by Seniors: A.J. Cose, Mike Watland, Jason Dinkel, Kevin Lane, Brian Seifert and Butch Novara. The team was 11-5-3 overall. "We had a great year. Everyone played to their highest potential," stated Greg Fichtner.

The Best the World has to Offer

The girls tennis team, led by seniors Tonya Fuller and Kelly Smith, had another successful season. This was the sixth year in a row the girls have taken the SJAA title (all undefeated records in league play) and the third time out of the last four years they have won the team Sac-Joaquin section championship! The loss of two seniors (Renee Green and Marla Mayer) from the 1985 team might have hurt the team except for the addition of an outstanding freshman player, Heidi Chinchiolo, who had an individual succession league and section tournaments taking 1st and 2nd in both, respectively. "It was a very fun-filled and exciting year," stated senior Tonya Fuller. The team for next year should be strong again with the return of Heidi and experienced juniors Renaye Vignolo, Rachele Rotert and Lisa Brown. "This year's team has set some high standards to follow. The team will miss seniors Tonya Fuller, Kelly Smith, and Loraine Laurente next year and wish them good luck after high school," stated coach Matt Kucich.

The SM Varsity Basketball team had a successful and challenging year to look back on. Junior John Hammer and Senior Sean Lopez both stated, "The beginning of the year was more successful than the end of the year." The Rams played hard in the tournaments and came around and won two of them. In the Stagg Tournament, John Hammer and Mark Becker were picked to the all-tourney team for their outstanding performance. The Jesuit tournament was also won by the mighty Rams with Tim Mouriski and Brian Bowyer named to the all-tourney team. Mark Becker was named the tournament MVP for his great efforts. Their season record was 18-11, and their league record was 7-7. Coach Jon Gustorf quoted "Despite our lack of size, the Rams had a fine season. We won two tournaments and achieved an overall record of 18-11. The league finish was disappointing as we h hoped to challenge for the champio ship. Tokay won the league with 12-2 record."

The awards went as follows: T MVP-Brian Bowyer, Most I proved-Scott Valverde, Most In rational-Marty Delucchi. Congra lations to all of you for a tremen season!!!

SUPER SOPHS TAKE FIRST!!!

After a great start and a few mid-season losses, the sophomores ran away with the first place beating out Edison by two games. When asked about playing his second year at the sophomore level, Chris Rechsteiner said, "It was a lot easier and more enjoyable for Ben (Rishwain) and I since we are returning. We're used to this level of intensity and had that rare experience twice on this level. Everyone played well. We all molded together and played great together, finishing with the record to show that."

With this confidence and experience, maybe the sophomores can take their 23-3 record up too. Varsity is looking forward to these soph's coming up to a higher level next year. Way to go sophs!!

FRESHMEN TAKE FIRST

The SM Freshman Basketball team proved their ability by coming in first place. When we asked Freshman Aaron Misasi about this fine season, he quoted "I was very impressed with our season, we had a very good team and we deserved to come in first." They were coached by Gary Mancebo, and he did a great job with this years Freshman team. Their overall record was 16-2, and their season record was 8-2. With this record and all the superb talent, it's no wonder why they were number one! At the awards banquet, MVP went to Kevin Hanson, and Most Improved went to Phil Ferrerich. Way to go Freshman!!!!

J.V. Girls Do It Again!

Joy Dana, second year coach at St. Mary's knew she had a lot of work to do when she first started out this season. She had five sophomores and eight freshmen to work with. For some of the girls, basketball was a new experience. Coach Dana quoted "This year's team was very inexperienced, but very talented and determined. They definitely surprised most people. I am very fortunate to have been given the opportunity to coach this team, and I have a great deal of respect for them. If I had to sum up this team in one word, it would be "FANTASTIC!" The team worked hard and improved greatly in time. The girl's came in third place in the Franklin tourney. Danielle Peirano and Lisa Thomas were named to the all-tourney team. And for her tremendous effort, Darcey Aberle was named the M.V.P. of that tourney. "Our goal was to go undefeated in league. We gave it our best every game, and it worked" stated team captain Darcey Aberle. The J.V.'s went undefeated in league, 14-0. They finished off the season with a big win over our rivals, Lincoln. WAY TO GO RAMS!!!!

KICKN' OFF WITH J.V. SOCCER!!!!

The 1986-87 Girls' J.V. Soccer team had a surprising season. Because most area high schools did not have a J.V. team, we were limited to only four. They were Tracy, Lincoln, Lodi, and Tokay. Most of the girls did not have much soccer experience, but all of them tried their best. We tied Tokay and number one Tracy. First year coach, Lee Geary, has high hopes for next year's girls varsity soccer team. The most valuable player award went to Michelle Navarak and most improved went to Julie Hart. The Rams starteds included Sophia Perez, Michelle Navarick, Amy Howell, Julie Hart, Margie Wolftang, and first year goalie, Cathy Hess. Next year's soccer season promises to be very exciting!!!

With the constant persistance that wrestlers make great linebackers, the program was still tackling the problem of recruiting more individuals strong or weak.

Because of the enthusiasm that was shown, it made a far better team. One of those developed characteristics was the improvement of a two-year wrestler, Dave Quierolo. Dave was a constant threat to SM's opponents, always obtaining team points, even though the team forfeited three or four weight-classes due to lack of personnel.

That definitely did not stop the members as a team. The determination to win as a team was in the making, first, by placing half of the team, six that went into sub sections. Those athletes that were placed were: Tristen and Sean Ramirez, Albert Morales, Mike Ahles, and Greg Garcia. Out of those six wrestlers five of them will be returning next year, a sure competitive threat to the SJAA.

The second prove of team development was that two years in a row, they have placed one wrestler to qualify in the section tournament, Albert Morales who gave the returning team the incentive to achieve, and the pride shown in their achievements. And to give all the wrestlers the vigor to sustain strength and pride that St. Mary's wrestling team is on the "Rampage".

Sport Mix-up!

"Waterpolo? Don't all the horses drown?" A typical question asked about this sport. Because of this unfamiliarity, the Waterpolo Team asked us to give a full disclosure of this highly rigorous sport. It is played in water, usually at least 6½' deep, and uses the full length of a 25 yard pool. There are 7 players in the field; a goalie and 6 field players. The goalie this year was Greg Weaver and here is what he had to say about the team. "We have improved from last year and are much are more experienced and I feel that we have the potential for a good team next year. Although we need more school support and a greater turn out of players," Senior Keith Burgad added, "Waterpolo isn't just a boys sport, it's a girls sport too. Try out and you'll see just how physically demanding it is." The team was coached by Bobby Goughran and he was assisted by Pete Schoen. Coach Goughran said, "Well, making the best use of the facilities available, they pulled it together, made the best team SM has had and they played very well together. With a greater turnout, SM could have one of the top three teams in the SJAA." Team members were, Senior Keith Burgad, Juniors, Greg Weaver, Greg Hamernik, Eddie Giabattari, Daphne Osell, and Dave Mazzera. The sophomores included Jason Wilcox and Jeff Grau. This year there were three freshman that braved the season, they were Aaron Giaudrone, Kelly Mosqueda and Jimmy Klo.

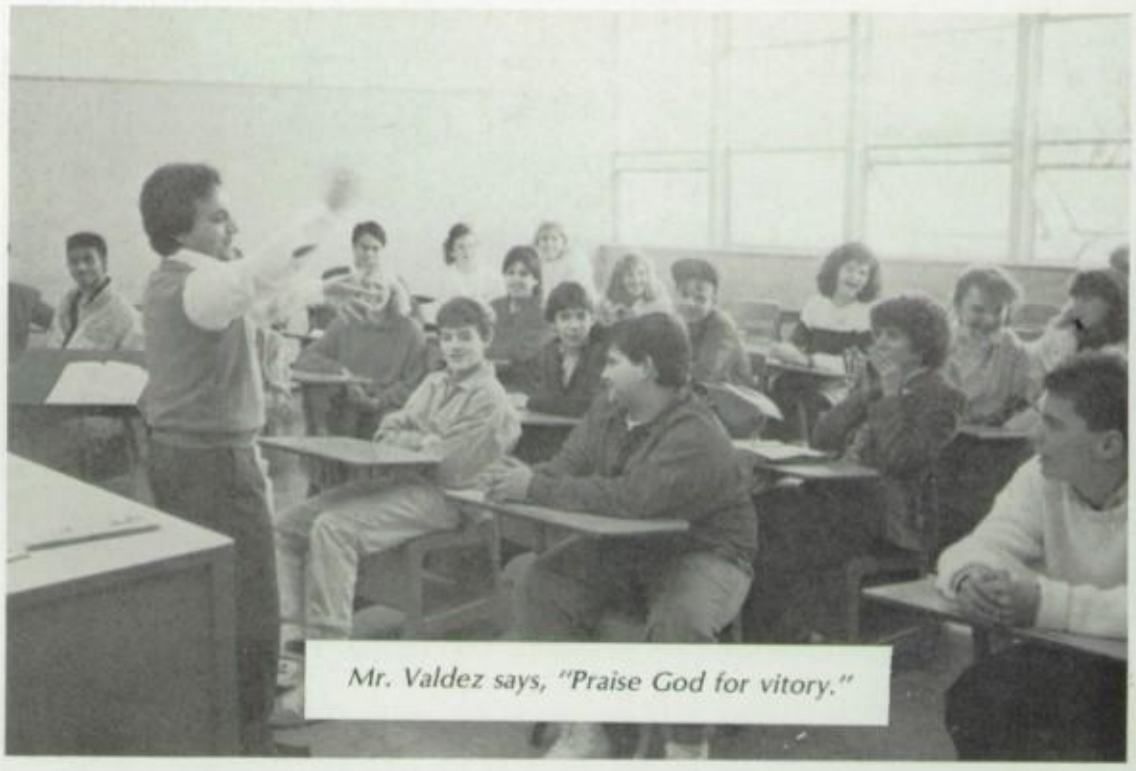
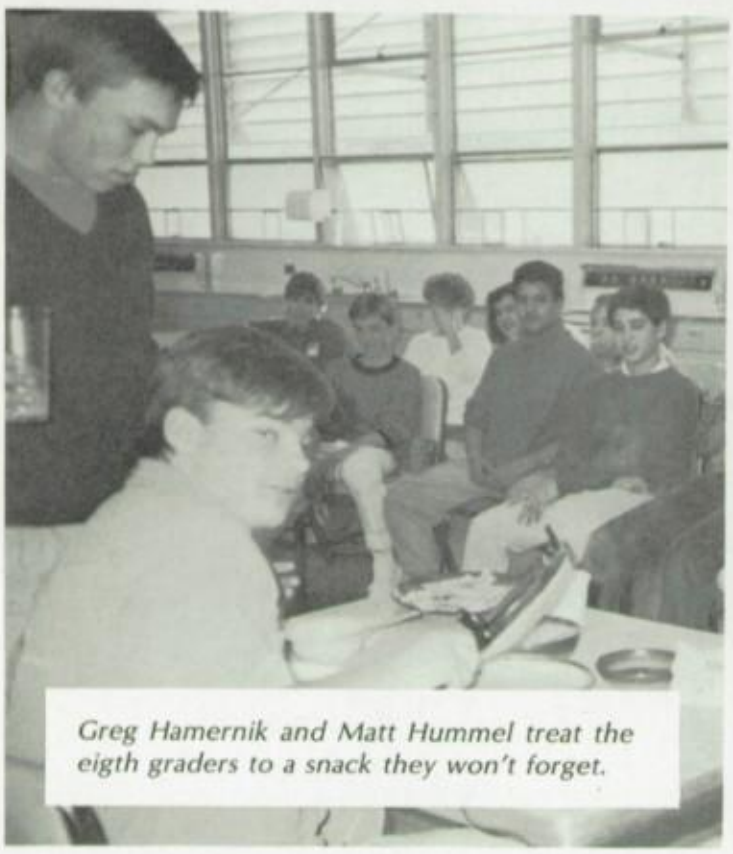
EIGTH GRADE DAY
CLASS OF 1991

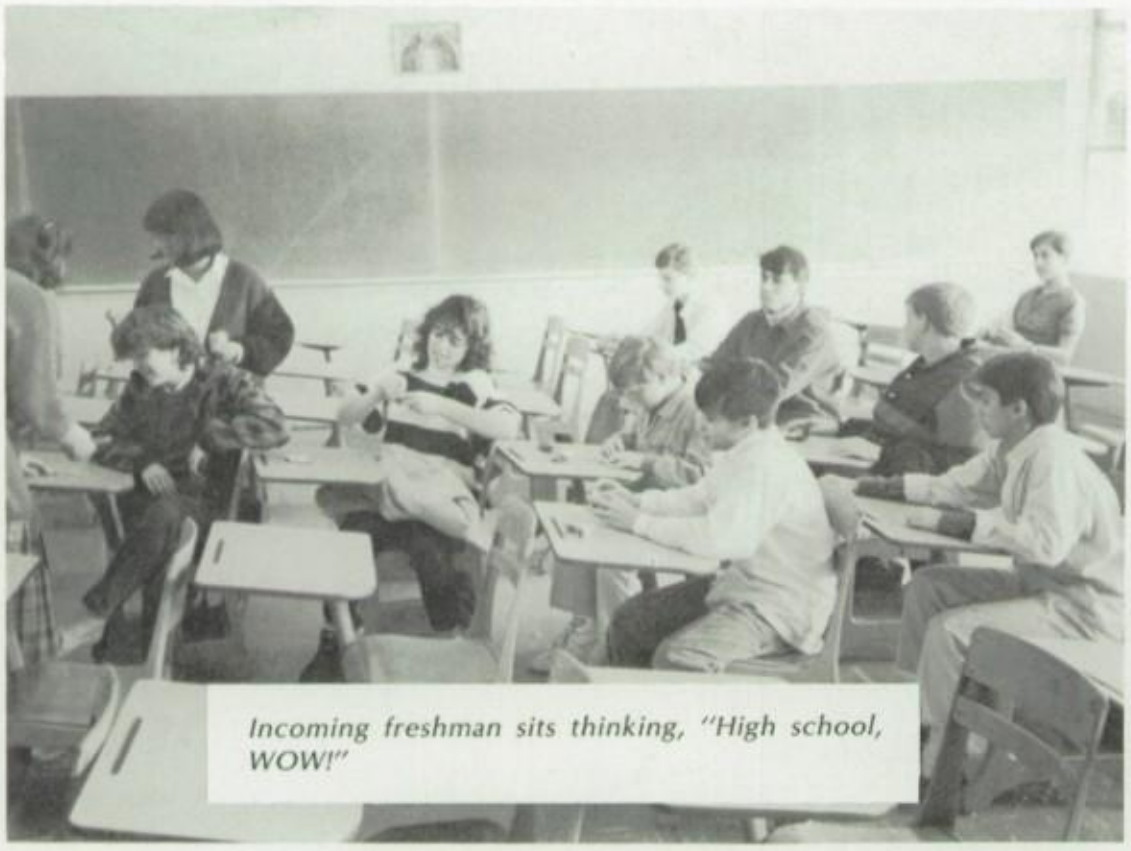


Mr. Valdez says, "Praise God for vitory."

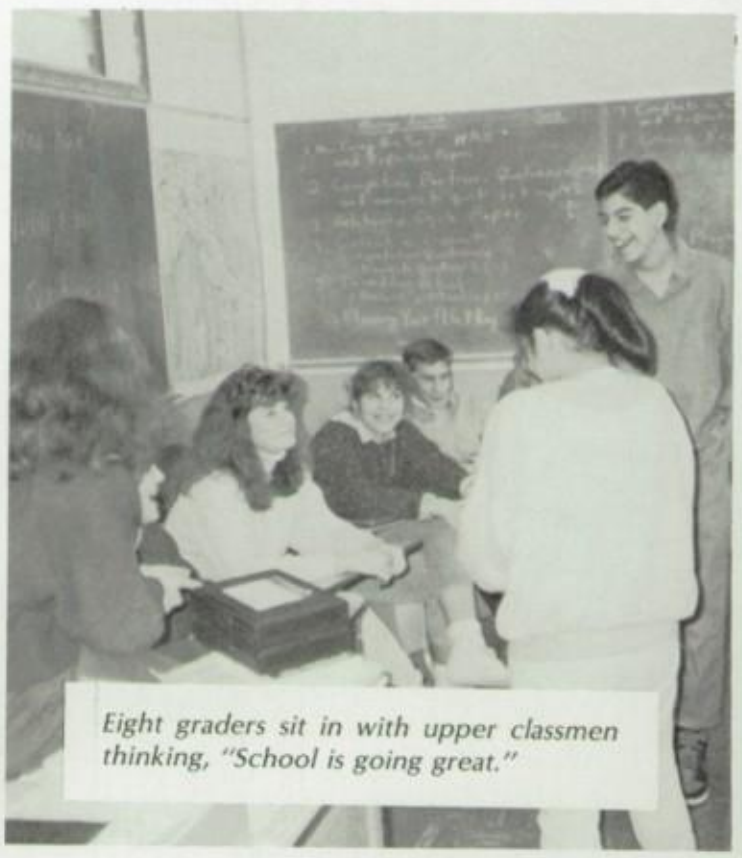


Greg Hamernik and Matt Hummel treat the eigth graders to a snack they won't forget.

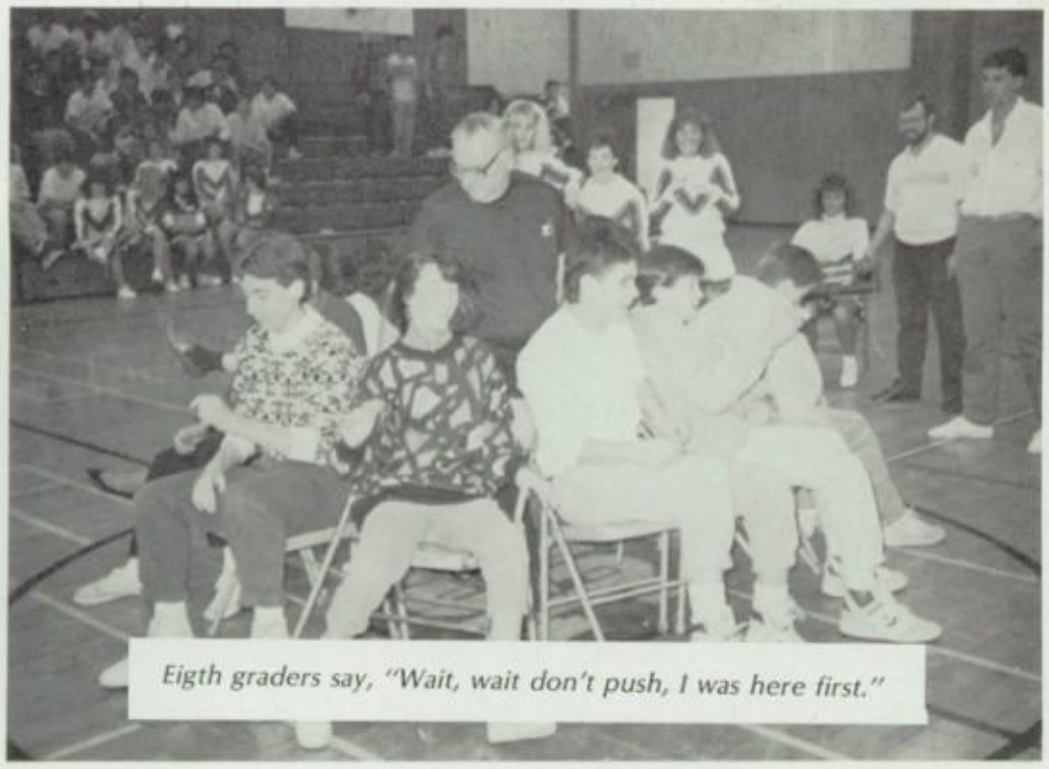
Junior High Schoolers sit in on Art Class, and say, "This isn't half bad."



Incoming freshman sits thinking, "High school, WOW!"



Eight graders sit in with upper classmen thinking, "School is going great."

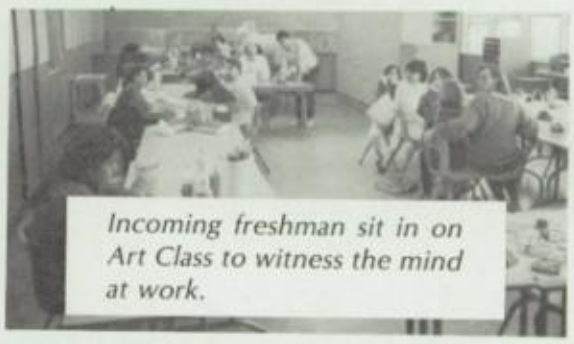


Eigth graders say, "Wait, wait don't push, I was here first."

On March 6, 1987, St. Mary's welcomed many eighth grade classes from various schools in the Stockton, Lodi, and Manteca areas. The students were taken around by members of the student council, to view and enter into activities offered from the various departments. Later, the students were involved in games and activities scheduled for the afternoon. The students from St. Luke's sent letters of appreciation to the student council; stating how much they enjoyed their day.

Junior high schoolers agree that technology is the easy way to go.

Newcoming freshmen increasing their knowledge.



Incoming freshman sit in on Art Class to witness the mind at work.

Freshman-to-be thinks about next year.

Senior Loraine Laurente helps incoming freshman improve thier intellectual insights.

Eight grader shows his talents by spinning the wheel.

Year In

Iran-Contra gate scandal involving President Ronald Reagan and his administration

South Africa blacks

This year our great nation was rocked by numerous defeats as well as triumphs . . .

In 1986 Reagan met with the Chairman-Gorbeacheve at Reykjavik, Greenland. Although the summit itself was a landmark towards easing tensions with the soviets, the talks ended in failure, both sides coming to no new agreement toward disarmament.

After the flee of Ex-President Ferdinand Marcos from the Philippines in 1986 Corazon Aquino was sworn in as president of the Philippines. The citizens voted for, and passed a bill which enstated a Democratic form of government and firmly seated Aquino as president.

Terrorism bombarded much of Europe, and especially France this year. As shown in the picture above one such terrorist attack killed 5 and injured 53 in Paris. However, it was not only France that was wounded but all nations. The terrorism continued killing 22 worshippers in an istabul synagogue during a reading from Deuteronomy when gunmen barged in and opened fire. Bringing these tragedies closer to home was the TWA Rome-Athens flight bomb which tore open the cabin hurling 4 to their deaths.

But, all was not doom and gloom in '86 . . . there was still that under lying bond that fairy tales are made of . . . love

cry for equal rights.

Ferdinand Marcos, ex-Philippine president

Corazon Aquino, new Phillppine president.

In Washington the household word was scandal, the Iran-Contra scandal, has been paralleled to the administration Watergate scandal during Richard Nixon's last term in that office. President Reagan was accused of selling arms to Iran in exchange for the release of American hostages in Lebanon by shitte Moslems. Manils received from these arms sales have been traced to additional Contra aid. Investigations are still pending.

A strong example of what one gets when fooling with mother nature was the Chernobyl, USSR reactor explosion. The radiation which was labelled as "a silent enemy" and contamination of this city's residents.

South Africa's cry for help crept to all corners of the world as the rioting and killing continued this year. The African National Congress which is said to be Soviet backed has been instrumental in pushing for the downfall of the existing government since 1978 of President and Prime Minister Peter W. Botha.

This unrest has stemmed from the issue of aparthid, the rigorously enforced separation of blacks and whites in South Africa. Other countries have joined this cause by disinvestment of funds and trade to South Africa.

The Juniors could be considered the All-American class because in their third year curriculum they studied and reviewed the American culture. The U.S. History classes examined the struggles and successes of our American Heritage, while the English classes featured American Literature.

Preparing for furture responsibilities, the class sponsored a dance at the beginning of the year to raise money for the Junior/Senior Prom, which was held in the Spring. With becoming upper-classmen, they obtained the peivilege of off-campus lunch on Wednesday. As a result the Junior class has proved themselves as an independent and a class worthy of all students respect.

Welcome Class of 1990.

Since the shipment of biker hats did not arrive, the Seniors had to think quickly of a good substitute. They spent a weekend sewing banners that read "SM CLASS OF 90". All Freshmen were required to wear the banners. If anyone decided that he wanted to take off the banner, he was at the mercy of the Seniors. These custom designed banners also gave the Freshmen free admission to the first dance of the year.

Mrs. Harkin, one of the Freshmen Class moderators, helps to pass out ballots.

TO OUR DAUGHTERS

It seems like only a short while when we remember you as children playing ever so freely without a care in the world; and now your graduation time has arrived. We are so very proud of both you girls.

The Lord Jesus has taken a careful watch over you in these years, and we pray that HE continues his watch over you both in your future ventures in life. Keep the Lord with you at all times and HE will bless you, just as HE has blessed us with two beautiful, healthy daughters for seventeen years. We have been blessed to have been able to watch all of your accomplishments throughout these years. We also want both of you to know how very much

WE LOVE YOU

WE DO IT ALL

Yearbook Portraits with Style

Classic Cap and Gown Poses

Dramatic Lighting

Beautiful Double Exposures

Indoor and Outdoor Portraits

Boas, Furs, Tuxes, & Drapes

Elegant Glamour Portraits

All at competitive prices in the most beautiful studio in town.

When you have your yearbook picture taken with us, why not have your Senior Portraits taken at the same time? You can add your free yearbook poses to any of your special sittings: The Senior Sitting includes more poses, dramatic lighting, and flashy backgrounds; The Graduate Sitting adds your Cap and Gown; and the Split Sit includes two outfits in the studio and one outfit in our outdoor studio--all taken at the same time.

When you arrive for your appointment, just pick the sitting you want and we'll do it all right then.

MAKE SURE YOU PICK UP YOUR ADDITIONAL PAGES OF THE YEARBOOK THAT WILL BE INCLUDED IN THE SPRING SUPPLEMENT. YOU HAVE ALREADY PAID FOR THE SUPPLEMENT WITH THE INITIAL PRICE.

INCLUDED IN THIS MUCH LARGER 1986-87 EDITION OF THE SUPPLEMENT WILL BE:
